Description

A stunning two-drawer chest of drawers veneered in beautiful walnut burl, featuring high-quality veneer on the drawers, sides, and the exquisite molded top with end-grain wood trim around the entire perimeter. The piece is in excellent condition; only a few scratches on the patina need attention, which we can have our restorer fix. The piece features its original hardware, and all its components are contemporary. Place of origin: 18th-century carpenters and cabinetmakers from the Ferrara area. The piece measures 136 cm in length x 85 cm in maximum depth x 86 cm in height. A certified certificate of authenticity will be provided with the sale.
