

Painted Dresser.

1 300 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 109cm

Height : 81cm

Depth : 57cm

Description

A small walnut chest of drawers from the Louis XIV period, with a curved front. It was purchased for 25,000 francs in 1979 (I have the certificate). The patina, which was applied after the purchase, is particularly well done; one might think it is original.
