Description

Here is a traditional Indonesian kriss, complete with its sheath. The guard features the typical curved ends, while the finely carved handle depicts a stylized figure inspired by mythology. This kriss is a testament to the craftsmanship of Javanese and Balinese artisans; it is an object imbued with spirituality and prestige, likely made from foreign silver. It features a beautiful patina, a mark of authenticity and age. The patina is magnificent along the edge. Regarding its condition, please note a small chip on the handle and typical signs of wear from use. Our photos allow you to appreciate the quality of the object. Please take a close look at the photos. Feel free to zoom in. The photos are an integral part of the description. Dimensions:-
