Description

Oil on canvas depicting a winter landscape, dated 1973. The composition is rendered in a modern style with post-Cubist influences, characterized by the geometric abstraction of forms and the construction of the landscape through successive planes. A snow-covered road structures the composition and guides the eye toward the horizon, between the houses and the trees. The subdued color palette consists of grays, greens, ochres, and whites. The signature in the lower right corner is unidentified. On the reverse, the canvas bears a handwritten date: "22-8-73." The painting is in good condition with slight signs of wear. Dimensions: Height: 60 cm Width: 73 cm
