Description

A lovely pair of decorative porcelain plates from Vieux Paris, entirely hand-painted. The rims are scalloped and embellished with a beautiful relief design accented with fine gold. The rim is decorated with six charming bouquets, each consisting of two roses and connected by flowering stems forming a garland. The center of the plate is decorated with a multicolored bird surrounded by polychrome and gold foliage. A beautiful piece from the mid-19th century; the colors have remained vibrant, with only very slight wear to the gilding, which is to be expected given the age of this

porcelain. Dimensions: diameter 23 cm height 3 cm Shipping and packaging costs: 25 euros within mainland France; for other destinations, please
