Description

Louis XV-style dressing table / vanity in walnut
An elegant Louis XV-style dressing table, crafted from walnut and walnut veneer, featuring a beautiful warm hue and a particularly decorative flamed grain. Resting on four curved legs, it features an elegantly scalloped molding, characteristic of the Louis XV style. The top opens into three sections: the central section lifts up to reveal a framed antique mirror, while the side compartments provide storage space for toiletries. The front is adorned with a brass lock plate. The piece retains a beautiful patina, with the marks and small irregularities inherent to its age. A piece of furniture that is both decorative and functional, suitable for use as a dressing table, vanity, or small side table in a bedroom or a classic interior. Style: Louis XV Materials: walnut
