Description

A decorative and elegant table lamp from Maison Baguès dating from the 1960s, vintage in style, featuring a beautiful sculpted base in patinated gilded bronze that echoes the lines of a Medici vase or an ancient trophy. This type of lamp is characteristic of neoclassical styles and the Hollywood Regency aesthetic. It was very fashionable in the mid-20th century. This lovely piece features a half-shade in cream with two-tone trim and is in very good electrical condition. A superb decorative piece--this refined and functional light fixture is in excellent condition,
