

Small Bust Of A Roman Emperor, 19th Century

260 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 6 cm

Height : 10 cm

Depth : 3,5 cm

Description

Small bronze bust of a Roman emperor. This bust is likely a souvenir from the Grand Tour, brought back from a trip to Italy. It depicts a Roman emperor wearing a laurel wreath. His toga, draped over his shoulders, is pleated and fastened with a fibula. The bust rests on a pedestal-shaped base that is an integral part of the object. The back of the bust is hollow. Traces of gilding are visible in the folds of the toga.
