Description

An eclectic console table made of carved and gilded fir wood, emblematic of 19th-century Italian elegance and craftsmanship. The molded top features a refined faux-marble finish, which lends a touch of authenticity and class. The four legs, characterized by a sinuous "S" shape, are richly adorned with floral details, volutes, and scrolls, highlighting the masterful craftsmanship. The structure rests on a molded base with three plinth feet, ensuring stability and sturdiness. An ideal piece to enhance classic and refined interiors, a testament to an era of great artistic splendor. Product condition: Due to its age and wear, this product requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos.
