Description

A vintage ring crafted in 18-karat white gold, featuring a refined and striking oval-shaped setting embellished with an elegant decorative motif. Set at the center is a natural cabochon opal weighing approximately 7.00 ct, with a smooth, domed surface and a delicate milky hue, which serves as the focal point of the entire piece. The opal is surrounded by a luminous frame of single-cut diamonds, with a total weight of approximately 0.60 ct. The arrangement of the stones enhances the opal's soft color and adds brilliance to the overall design. The outer profile of the setting features a refined contoured edge, which adds movement and sophistication to the composition. The generous proportions of the center stone give the ring a striking presence on the finger, while maintaining an elegant and
