

Set Of 4 Lyre-back Chairs From The Early 20th Century

420 EUR

Period : 20th century

Condition : Bon état

Description

An elegant set of four Louis XVI-style chairs, dating from the early 20th century, particularly decorative thanks to their lovely openwork backs featuring a lyre motif. The very slender backs are framed by fluted uprights and feature a finely crafted lyre in the center, adorned with a carved rosette and delicate decorative motifs. The chairs rest on four tapered, fluted legs, in the purest tradition of the Louis XVI style. Their light, slightly enhanced patina pleasantly highlights the carvings and lends them great charm. The seats are upholstered in a very pretty fabric with fine stripes and small floral motifs in shades of cream and beige. Slightly satiny and luminous, it lends an elegant and refined touch to the set. The fabric is in excellent condition--clean and flawless. A very lovely set, both light and decorative, ideal
