600 EUR

Period : 19th century

Condition : Parfait état

Description

We are selling a set of six oblong dishes from factories in eastern France. Four of them have scalloped edges and two have smooth edges. The dish with the bird design is, I believe, from the Islettes factory. All 6 dishes are typical of Les Islettes' production and, in my opinion, date from the early 19th century. In perfect condition. Shipping not included
