Description

A charming vase decorated with blue chrysanthemums by Gallé. This vase, entirely acid-etched and decorated with blue chrysanthemums, features very pretty colors. The rich design includes open and half-open flowers against a bright lemon-yellow background. Beautiful engraving quality and an elegant shape with a small foot and a slightly flared neck....In perfect condition, 15 cm tall and 14.5 cm in diameter, circa 1900. A little gem of Art Nouveau glassware, with superb colors.
