

Memento Mori

2 400 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Width : 12

Height : 30

Depth : 16

Description

Composite: a skull topped by a group of geometric shapes made of beech wood, with a turned wooden base, circa 1940. Stoicism and Epicureanism use this concept to encourage wisdom, humility, and an appreciation for the present moment (carpe diem). It serves as a reminder of the fleeting nature of time, the fragility of life, and the vanity of material wealth.
