

Modern Painting Composition With Game Oil On Canvas XX Century

650 EUR

Period : 20th century

Condition : Bon état

Material : Oil painting

Width : 134

Height : 86

Depth : 3

Description

Oil on canvas. This large composition, inspired by ancient models, depicts game resting on the branches of a tree along a path, along with various fruits, especially large bunches of grapes; in the landscape behind on the left stand the architectural ruins of a temple in a classical style. The work is presented in a frame in the same style. ARARNO0319363
