

Woodcock - Vienna Bronze, Circa 1900

980 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Length : 13 cm de longueur

Height : 10 cm de hauteur

Description

A beautiful, naturalistically rendered polychrome bronze woodcock from Vienna. The plumage is finely chiseled, with beautiful polychrome work in shades of brown, reddish-brown, and ochre. Viennese work, circa 1900. Very good overall condition. Some minor wear to the polychrome. Beautiful patina.
