Description

A very original, even surrealist, portrait of a woman with prominent eyelashes, wearing leaves from an unidentified tree. Total height 32 cm plus a marble base, 36 cm. Signed in relief on the back; I can make out "Constant"? and also further along, still on the back of the piece, engraved: Lost-wax J. Lagarde? 1983 Nice. A very beautiful expression emanates from the face: an expression of serenity with a slight smile of contentment. I believe this must be a one-of-a-kind piece... free shipping within the European Union
