

Baroque Headboard In New Red Velvet, With Silver-plated Scrollwork, Early 20th Century

2 500 EUR

Period : 20th century

Condition : Très bon état

Material : Silver metal

Width : 200 cm

Height : 131 cm

Description

An imposing headboard with a scalloped pediment, richly adorned with volutes and foliage. Its repoussé and silver-plated metal friezes elegantly accentuate its Baroque silhouette. The new red velvet provides a striking contrast to the silver embellishments and highlights the sculpture's relief. The symmetrical composition, dominated by a central foliage motif, gives this piece a beautiful presence. A decorative and spectacular headboard, ideal for adding character and elegance to a bedroom.
