Description

A charming French walnut side table dating to the late 19th century, distinguished by its beautifully turned barley twist legs and matching stretcher base. Rich in character and craftsmanship, the table reflects the enduring popularity of 17th-century-inspired forms that experienced a revival throughout the Victorian period. The rectangular top displays a warm walnut patina with attractive wear consistent with age, lending the piece an authentic and inviting presence. A practical drawer concealed beneath the top provides convenient storage for small objects, making the table as functional as it is decorative. The striking barley twist legs are connected by equally sculptural spiral stretchers, creating a dynamic visual rhythm and adding architectural interest from every angle. The warm
