Art Deco-era Celestial Globe Signed By Th. Moreux - Maison Forest, Paris

600 EUR

Period : 20th century

Condition : Bon état

Material : Glass

Height : 44cm

Description

Antique French celestial globe from the 1930s, Art Deco period, made of blown glass and featuring remarkable astronomical cartography. The sphere, adorned with celestial cartography on a patinated olive-green background, is crossed by a wide yellow band representing the Milky Way. It features numerous constellations, stars, astronomical coordinates, and inscriptions in French. The globe bears a printed inscription reading: "Celestial Globe by Abbé Th. Moreux - Published by E. Girard, Geographer - Maison Forest, 17 rue de Buci, Paris (France)." Abbé Théophile Moreux was a French astronomer known for his work in popular science and astronomy. The globe rests on an elegant, tiered circular base made of silver-plated metal, accompanied by a graduated metal
