Description

We are selling this lovely, vintage-style piece from 2004. In the post-Cubist style, it draws some inspiration from Picasso and the various studios in Vallauris. The artist's name is FRED; his signature appears on the body of the vase within a medallion. This is a one-of-a-kind piece. It could be by Fred Busk, but I can't say for sure. The ceramic is superb and in pristine condition. Shipping not included.
