

Kabyle Oil Lamp

400 EUR

Period : 19th century

Condition : Parfait état

Material : Ceramic

Height : 32cm

Description

We present this Kabyle oil lamp, known as "Idekki" or "mesbat bu tuyat" in Berber. These pottery pieces are made exclusively by women using traditional methods. They always feature black and ochre geometric patterns. These pottery pieces are often given as gifts at weddings. I find this one to be particularly well-crafted. Late 19th century, early 20th century. Shipping not included.
