Description

An elegant and inviting coffee table (which can serve as a distinctive desk or living room table) Made of solid walnut in the Louis XIII style and crafted in the 18th century. This piece stands out for the exceptional quality of its cabinetmaking, particularly its remarkable turned wooden base with double twists (particularly dynamic and pronounced twisted columns). The four sturdy legs are connected by an H-shaped crossbar, itself richly carved with twisted motifs and topped by two original finials with beautifully turned details. The walnut tabletop features magnificent natural grain with a superb period patina, accentuated by a wide border around the edge. On the front, the table features a large, deep belt-style drawer, fitted with ring pulls and a central lock slot. The original wrought-iron lock and
