In Tortoiseshell Box XIX In Ivory Saint Pierre

480 EUR

Period : 19th century

Condition : Très bon état

Diameter : 8,5 cm

Height : 2 cm

Description

Beautiful and lovely box round XIXth shell. It is decorated in the center of a low relief ivory gold rimmed representing St. Peter with his attribute, the key and the book. Superb fine chiselling and small chip on the inside edge, visible in the pictures but very good condition of the whole.
