380 EUR

Period : 16th century

Condition : Très bon état

Material : Bronze

Diameter : diamètre du col 11,5 cm

Height : 9 cm

Description

Beautiful "Haute Epoque" apothecary mortar made of bronze/copper. French or Italian craftsmanship dating from the Renaissance, late 16th century. An elegant design featuring four alternating buttresses and four spandrels decorated with Italian-style balusters. This mortar is crafted from a very fine bronze/copper alloy and has retained its superb antique patina, a deep brown color, as well as its original hanging ring. In very good condition, with no cracks; it produces a perfectly clear sound. Note: Shipping to France is available via Colissimo with tracking and insured delivery requiring a signature: 20 euros. Shipping to other destinations available upon request.
