Description

An elegant daisy ring in 18-karat yellow and white gold, featuring a floral design that combines the red of rubies with the sparkle of diamonds. At the center, a natural oval ruby weighing approximately 1.80 carats stands out for its intense, deep red color, described as "Vivid/Deep Red" by the ALGT laboratory, with a "Fine Color Quality" rating. Set in a prong setting, this stone is surrounded by six round rubies alternating with six brilliant-cut diamonds, forming a delicately scalloped crown. An expressive ring, perfect for everyday wear or a special occasion. Metal: 18-karat yellow and white gold -- 750/1000. Center ruby: natural ruby, mixed oval cut, estimated weight 1.80 carats. Dimensions of the center ruby: approximately 9.60 × 6.60 × 3.70 mm. Color
