Description

Art Deco Lamp Featuring a Female Figure in Bronze and Luminous Glass A stunning Art Deco-style lamp featuring an exceptionally elegant kneeling female figure, crafted from bronze with a brown patina and beautiful golden highlights. The young woman, with stylized features and a bob hairstyle characteristic of the 1920s and 1930s, strikes a graceful pose, her hands delicately clasped against her chest. Her bodice is adorned with a rich floral relief design, reflecting the care taken in the modeling and decorative details. At her side, an amber glass lampshade--rounded in shape and topped with a finely fluted conical cover--diffuses a warm light. Its geometric relief decoration harmonizes perfectly with the sculptural lines of the female figure. The ensemble rests on a rectangular base
