Description

Large twisted stucco column with capital, marbled finish, H 112 cm. Elegant display pedestal with a twisted shaft in the Solomonian column style, crafted from molded stucco with a painted finish imitating veined marble in shades of beige, ochre, and gray. Its circular top shelf showcases a vase, sculpture, or bronze piece, while its flared base ensures good stability. Classical, Neoclassical. Material: Molded plaster stucco with faux marble painted decoration. Period: 20th century, circa 1940. Height: 112 cm. Top diameter: 26 cm. Base diameter: 40 cm. In very good condition for its age. There is a noticeable crack on the pedestal at the base, as well as slight chips along the edge of the top shelf. The piece remains structurally sound. On-site pickup available. Delivery available: terms and cost to be
