

Vintage Scandinavian Teak Dining Table From The 1970s - 2 Built-in Extension Leaves

1 380 EUR

Period : 20th century

Condition : Bon état

Material : Teak

Length : 160

Height : 75

Depth : 88

Description

Vintage Scandinavian dining table from the 1970s, crafted from teak with warm amber tones and highly decorative natural grain. The rectangular tabletop features clean, elegant lines, subtly rounded corners, and tapered legs typical of mid-20th-century Scandinavian design. Practical and functional, this table features two built-in extensions with two small handles on the underside for easy pulling, allowing you to effortlessly expand the table's surface to accommodate family and friends. A piece that's as aesthetically pleasing as it is inviting, ideal for a vintage, Scandinavian, or contemporary interior. There is a slight difference in shade between the tabletop and the extension leaves. Dimensions: 160 x 88 cm; Height 75 cm + 2 extension leaves, 40 cm each Economy shipping
