Description

A superb rectangular desk blotter made of solid silver from the second half of the 19th century, circa 1860-1880. The top plate and the handle are entirely chiseled and engraved with rich motifs of foliage scrolls and mythical creatures. A Minerva hallmark indicating first fineness (guaranteeing solid silver) is visible on the edge of the top plate; the monogram "EM" is visible on the opposite side. Note: two small, discreet dents on the handle. The engraving remains sharp, and the assembly is perfectly stable. Dimensions: 10.6 x 6.6 cm. Height: 5.7 cm. Weight: 109 grams. Solid silver weight: 39 grams. Shipped with an invoice--fast, carefully packaged, and very secure. Shop with confidence: find our customer reviews by searching for "Antiquités Déquier" on Google.
