

Antique 18ct Gold Sapphire Diamond Marquise Plaque Ring Birmingham Hwl Size O

1 475 EUR

Period : 20th century

Condition : En l'etat

Description

Antique marquise-shaped plaque ring constructed from an 18-carat yellow gold band with a white metal setting face. The elongated navette focal head features an openwork filigree layout set with 3 round mixed-cut blue sapphires arranged vertically. The central sapphire is the largest stone, bordered by millgrain metal rims. Six round old-cut diamonds are set within circular grain settings interspersed between the sapphires, finished with millgrain edge borders. The shoulders feature split scroll detailing that connects to a solid polished band. The interior of the shank contains a stamped sponsor mark reading H.W.L inside a rectangular shield, alongside worn 18ct purity marks. The ring face measures 24 mm in length. The item is a UK size O and has a weight of 4 grams.Item
