Period : 20th century

Condition : En l'etat

Description

Vintage solitaire engagement ring constructed from an 18-carat yellow gold band with a platinum setting head. The focal point features a single emerald cut clear diamond measuring 6.5 x 5 mm, yielding an estimated face weight of approximately 0.85 to 0.90 carats. The gemstone is held in place by a 4-prong white metal box collet setting supported by an open under-gallery. The diamond and its top setting box sit at a distinct tilted angle relative to the horizontal plane of the shank shoulders. The ring features knife-edge shoulders that taper downward toward a slender, uniform D-shape yellow metal shank. 4-Prong Setting, Angled Setting Head. The interior of the band features a stamped hallmark containing the numerical characters 18ct. The ring is a UK size M 1/2 and
