

Oil Portrait Of A Monk Or A Holy Man, His Eyes Turned Toward The Sky. 17th Century.

480 EUR

Period : 17th century

Condition : Bon état

Material : Oil painting

Width : 33,5 cms

Height : 41,2 cms

Description

An interesting portrait of a holy man or a monk, his eyes raised toward the sky on the right side of the painting. The very dark background highlights the face and the very large eyes, whose whites are distinctly visible. The gaze is intensely expressive. Original canvas. Probably cut from a larger canvas; no stretcher. Italy, 17th century.
