

Cylinder-style Desk, Mainz, 1820

9 700 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Walnut

Width : 120cm

Height : 125cm

Depth : 62/91cm

Description

A very beautiful cylinder desk in burl walnut veneer arranged in a butterfly wing pattern; the lower section features two drawers resting on tubular legs; a sliding writing surface linked to the cylinder mechanism, revealing a beautiful interior layout consisting of several drawers and a central door; Three small drawers sit atop the cylinder. Mainz, circa 1820. Restored and hand-polished with buffed varnish.
