Murano Glass Necklace, Lampworked Discs - Periwinkle Blue

190 EUR

Period : 20th century

Condition : Parfait état

Material : Glass

Description

An elegant necklace composed entirely of Murano glass discs, individually handcrafted using the traditional lampworking technique. Each disc displays subtle variations in shape and colour, reflecting the distinctive character of handmade glasswork. The delicate periwinkle blue hue, with its nuanced tonal variations, lends the necklace a luminous and sophisticated appearance. The glass discs are strung on a double silk cord, secured at the back by a sliding barrel-shaped glass bead. This practical and discreet mechanism allows the length of the necklace to be adjusted effortlessly to suit different styles and preferences. Versatile in design, the necklace can be worn closer to the neckline or extended into a longer sautoir, offering two elegant ways to wear the
