Description

Mid-century "esse" coffee table, designed by André Bayer Rectangular coffee table featuring a glass top and a white wood-veneer base, adorned with integrated hand-painted ceramic tiles, as well as a cantilevered, "S"-shaped geometric frame made of chrome-plated metal This design allows light to pass through the table, highlighting the artwork located beneath the suspended glass top, while maintaining an airy silhouette Twelve polychrome ceramic tiles, glazed and textured, form a composition depicting a caped horseman with a chariot and galloping horses The deep cobalt and midnight blue tones of the design contrast with a flamboyant red background Signed within the motif, on the lower right tile Bayer was a renowned ceramic artist active in Belgium in the

late 1960s and 1970s, who created high-end
modernist decorative pieces. These pieces stood out
for their ability to transform everyday furnishings
into functional works of modern art. In very good
vintage condition, with only very slight signs of
wear. 115 cm wide, 50 cm deep, and 39 cm
high. Total weight approximately 30 kg. Belgian
craftsmanship from the 1970s.
