Description

This round coffee table stands out for its magnificent tabletop, composed of ceramic tiles adorned with a particularly expressive figurative design in the style of Jean LURCAT. In the center, a stylized yellow motif stands out against a graphic composition in shades of red, orange, and black, creating a beautiful contrast. It rests on an elegant black wrought-iron base with clean, geometric lines, which visually balances the richness of the tabletop. Its unique aesthetic evokes the creative spirit of the 1960s and 1970s and fits just as well in a vintage interior as it does in a contemporary, eclectic, or 20th-century-inspired decor. A piece with character, perfect for adding color, originality, and a retro touch to a living room. Tabletop diameter: 81 cm Height: 42 cm Economy shipping
