

Antique Platinum Set White Precious Metal Old Cut Diamond Signet Ring Size N1/2

1 479 EUR

Period : 20th century

Condition : En l'etat

Description

Antique signet style ring is crafted from an unmarked white precious metal that tests as platinum. The head features a flush, rub-over bezel setting holding a single central old cut diamond. The diamond weighs approximately 0.75 carats with an assessed clarity grade of VS and a color grade of G. The ring head is styled with a smooth, square-shaped signet face that tapers smoothly into wide, polished shoulders. The under-gallery beneath the stone features an open square aperture allowing light penetration. The inner circumference of the band is smooth, lacking any hallmarks, maker stamps, or purity markings. The gross weight of the complete piece is 9.8 grams and the finger size is UK N 1/2.
