1 400 EUR

Period : 19th century

Condition : Etat d'usage

Length : 180 cm

Width : 80 cm

Height : 77 cm

Description

Hello,I am offering this late 19th-century craft table / butcher's table(Napoleon III style).

Structure : Magnificent wrought iron and cast iron work, very heavy and perfectly stable. The base stands out for its elegant volutes and bovine-head motifs on the legs. Currently finished in white/cream paint.

Exceptional dimensions: Length 180 cm | Width 80 cm | Height approximately 77 cm. (A rare size for this type of model, ideal for a large dining room or garden table). Tabletop: Topped with a granite tabletop. Condition: In good overall condition, with a very sound structure.
