

Brass Box Shaped Like A Cello, Circa 1900

250 EUR

Period : 20th century

Condition : Bon état

Material : Brass

Length : 14 cm

Description

A small gilded brass box depicting a cello, crafted with particular attention to detail in the rendering of the strings, sound holes, and neck. The body opens via a side hinge to reveal an interior lined with light-colored fabric. The piece has an antique patina with signs of wear and minor oxidation. Details: Period: circa 1900, Material: gilded brass, Shape: cello, Length: 14 cm, Condition: antique patina, signs of wear, and minor oxidation.
