

Longchamp Earthenware Dinner Set, "nemours" Model, 46-piece Set

850 EUR

Signature : Faïencerie de Longchamp

Period : 20th century

Condition : Parfait état

Material : Earthenware

Description

A rare and significant 46-piece tableware set in glazed earthenware from the famous French manufacturer Longchamp, "Nemours" model, dating from the 1960s. This iconic model is distinguished by its elegant scalloped rim with twisted ribs, accented by a bright blue border. The bowl and sides are adorned with a rich, polychrome floral design, entirely hand-painted, featuring bouquets of pansies and roses on soft green climbing ivy stems. Each piece bears the manufacturer's monogram as well as the contractual notation "Hand painted France."

This particularly comprehensive set allows you to set a prestigious table for 11 to 12 guests, while offering the convenience of easily restocking the dinner plates. It consists of 46 pieces: 20 dinner plates (Ø 25.5 cm) 12 soup bowls (Ø 22.5 cm) 11

dessert plates (Ø 19.5 cm) 1 large round serving platter (Ø 29.5 cm) 1 large round deep dish (Ø 30 cm) 1 imposing soup tureen with lid featuring a fluted knob handle (31 x 20 cm, H: 31 cm). The set is in excellent overall condition due to minimal use. The earthenware has retained all of its original whiteness, with no discoloration or moisture stains. The glazes and polychrome decoration are remarkably vibrant. There are no cracks, chips, or hairline fractures to report on any of the pieces. Due to the set's weight (approximately 21 kg) and to ensure safe shipping, each piece will be packed separately, and the set will be shipped to you in 4 packages weighing about 10 kg each. Thank you for visiting!
