

Important Cetra Pendant Lamp By Vico Magistretti

1 200 EUR

Signature : Vico Magistretti pour l'éditeur Artemide

Period : 20th century

Condition : Etat d'usage

Width : 60

Diameter : 60

Height : 120

Description

A striking pendant light that serves a dual purpose: it effectively illuminates downward with its diffusing opal glass globe and upward with indirect light reflected by the bowl-shaped upper section. The overall design is beautifully graphic. The suspension rod can be divided in half if necessary, thereby reducing the height by approximately 40 centimeters.
