Description

Dimensions: 24 × 11.5 cmA beautiful wrought-iron oil lamp, featuring a swinging reservoir that rests in an iron cradle mounted on a small turned base. Its circular base has holes for mounting and is nailed to a wooden support. body of lamp, shaped like a flattened lens, opens with a lid held by a sturdy hinge and fitted with a heart-shaped butterfly latch, providing access to the reservoir and two wick holders. A beautiful antique set, displaying an even patina of use. Wear on the axles causes slight friction. The antique, beautifully turned wooden base has a few cracks as well as what appear to be traces of glue.
