

Jundenstern Nine-branched Bronze Shabbat Menorah For Hanukkah. 19th-century Europe

480 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Diameter : 30 cm

Height : 63 cm

Description

A beautiful Shabbat lamp called the "Jundenstern." It is made of bronze and has nine branches, which allows for a variety of uses, including for Hanukkah (the Festival of Lights). Originating in Northern Europe, it exemplifies the purest 17th-century style and dates from the 19th century.
