

Set Of 8 Bathroom Accessories In The Style Of Fontana Arte From The 1960s And 1970s

490 EUR

Period : 20th century

Condition : Bon état

Material : Glass

Description

The set combines smoked glass elements with chrome-plated metal frames and fasteners. The curved and geometric shapes, the thicknesses of the translucent material, and the metallic finishes evoke Italian design from the 1960s and 1970s. It includes two towel bars of different lengths, a towel ring, a toilet paper holder, and four matching wall-mounted accessories.
