Description

Pair of large Medici vases made of Paris porcelain - 19th century - Polychrome floral decoration - 36 cmPair of large 19th-century Parisian porcelain Medici vases, decorated with painted polychrome floral bouquets on a white background. The compositions feature roses, pansies, anemones, and various other flowers accompanied by foliage in shades of green.The vases have a flared neck with a gilded scalloped border, two openwork black side handles, and a circular pedestal. The orange-red bands are adorned with black geometric motifs. On the reverse, a stylized design echoes these same tones. This set is representative of decorative Parisian porcelain from the first half of the 19th century, in the style of the Restoration and Louis-Philippe periods.Height 36 cm, width 28
