

Wall Console With A Winged Dragon - Neo-gothic Style, 19th Century

350 EUR

Period : 19th century

Condition : En l'etat

Material : Gilted wood

Description

A spectacular carved and gilded wooden console table featuring a fantastical dragon with a gaping mouth, outstretched wings, and clawed paws. Evoking the romantic and mysterious interiors of castles of yesteryear, this sculpture captivates with its expressive power and elegant patina. Probably from the 19th century. Original condition with wear, crazing, and areas where the gilding is missing. A remarkable decorative curiosity.
