Walnut Burl Weekly Planner, 19th-century Restoration

780 EUR

Period : 19th century

Condition : Bon état

Material : Wallnut

Description

Restored 19th-century walnut burl weekly planner with seven drawers, including one with a trompe-l'oeil designA very beautiful Restoration-era weekly drawer set from the 19th century, made of burl walnut veneer, featuring magnificent grain with particularly pronounced and symmetrical patterns.This piece features seven visible drawers on the front, including one trompe-l'oeil drawer--an interesting feature of this weekly cabinet.The front is adorned with superb burl walnut veneers, arranged symmetrically, offering magnificent shades and a beautiful grain pattern.It is topped with a white marble slab with rounded corners.The straight, rounded-corner side panels rest on small feet characteristic of the Restoration period.The drawers feature traditional dovetail joints.A truly beautiful 19th-century
