Description

Oil on canvas. This is a copy of a painting by Benjamin Vautier from 1881, which was sold at a Sotheby's auction in 1998. The Swiss artist specialized in popular genre scenes: in this one, two young girls walking along the path as they leave the small church in the background are exchanging secrets, unaware of the priest sitting on the bench behind the tree, reading his breviary! The work is presented in a period-style frame. ARARNO0301134
