Description

A 1960s sideboard made in England, crafted from wood with teak veneer. The piece, recently restored in our workshops, is in excellent condition, with a smooth, even surface. The hinged doors and drawers offer ample storage space, combining functionality with the design typical of the period. The warmth of the teak and its clean lines make it suitable for both vintage and contemporary settings, highlighting the piece's artisanal quality. MOMOMO0328377
